Next Steps - Malo Hutson, NIAM

Thank you!!! We appreciate you taking the time to participate in this meeting. Your input will be taken into account as the completion of the Mitigated Negative Declaration/Initial Study for the Project moves forward.

Project Information: Additional information regarding the Central Kitchen Project has been posted to <http://www.ousdcentralkitchen.org/>. A summary of this meeting will be emailed to attendants who have provided their email addresses as well as posted to the Project Information section of the website, under Background Documents. When the draft CEQA document is published for the public comment period, a link will be provided on this website as well as the OUSD website, and will be sent out to those who have provided addresses at public meetings.

Comments: If you have comments that you would like to submit in writing, please use the space below and hand this back at the front table before you leave. If you have additional written comments about the Project after today, please email them to infocentralkitchen@niamconsulting.com by May 11, 2015.
