The Center Breaks Ground

The Center Groundbreaking Ceremony on April 7, 2016

Dear Neighbor,

More than 100 people, including a group of Hoover Elementary students, attended The Center Groundbreaking Ceremony on April 7. To learn more about this exciting event, visit www.ousdthecenter.org/news/the-center-breaks-ground.

East Bay Municipal Utility District (EBMUD) has completed removal of the existing water and fire services and installed the services for the new building. Presently, EBMUD is scheduled to return in May to repave the concrete on the sidewalk on 29th Street in the areas where they were recently working. The asphalt will be repaved after the concrete work is completed.

We understand that construction of the new Center can be disruptive for some of our neighbors, especially those immediately adjacent to the project site. We appreciate your cooperation while The Center is under construction and, respectfully, ask that you comply with posted parking restrictions.

Would you like to receive telephone calls for any urgent or important construction related updates? Call 510-761-8360 and leave a message with your telephone number. If you live adjacent to the site, we recommend you register your telephone number to get immediate notice of any significant construction updates.

Questions about construction related activities, please contact John Esposito, Oakland Unified School District (OUSD) Construction Project Manager by phone at 510-535-7049 (work), 510-277-6530 (after 5:00pm), or by email at john.esposito@ousd.org.

To learn more about the project, including significant construction updates, visit www.ousdthecenter.org.

¿Quieres esta información en español? Si es así, por favor llame al 510-761-8360 y dejar un mensaje y número de teléfono.

Sincerely,
The Center Project Team
